

## MEGAN MONTGOMERY

I'm from Washington Township in South Jersey. I'm a first year student and a Physician's Assistant major! My first year experience has been incredible; I've made amazing memories I will never forget and friendships that will last me forever. I learned a lot about living on my own and loved living in the city and what it has to offer.

Picture 1: My first weekend at Philadelphia University hanging out in Ronson with my new friends!

Picture 2: Volunteering at the AIG Philadelphia Marathon

Picture 3: Move-in day with my new roommate Ariana Harkins

Picture 4: The day of my Emerging Leaders Program graduation, with all of the graduates.

Picture 5: Terror behind the Walls trip to Eastern State Penitentiary with friends.

Picture 6: Getting ready to go out for the night with the Ronson E-hall girls!

Picture 7: Having fun in the snow with my best friend!

Picture 8: The Dean's List Luncheon with all of the first year physician's assistants
