The image shows a library website interface. The 'Find Articles' section has a dropdown menu with 'Select A Database From A-Z List' and a list of links: 'Databases By Subject', 'Databases A-Z', 'Journals By Title', 'Interlibrary Loan', and 'Research Guides'. The 'Find Books' section has a search box with 'Library Catalog', a dropdown menu with 'CATALOG KEYWORD', and a 'Go' button. Below the search box are links for 'E-books Guide' and 'Interlibrary Loan'. Three black arrows point from the right side of the image to the 'Select A Database From A-Z List' dropdown, the 'Databases By Subject' link, and the 'Databases A-Z' link.

**You will be prompted to enter
your network userid and
password**

**This will authenticate you and
allow you remote access to the
Library's online resources**

This is the remote log-in screen from Gutman Library

Enter your network userid and password to be authenticated and connect to online resources

Connecting from Research Guides

You can also connect to our online resources via our
Research Guides

The same authentication procedure will apply

The screenshot displays a library website interface with two main sections: "Find Articles" and "Find Books".

Find Articles

- Select A Database From A-Z List (dropdown menu)
- Databases By Subject
- Databases A-Z
- Journals By Title
- Interlibrary Loan
- Research Guides (highlighted with a black arrow)

Find Books

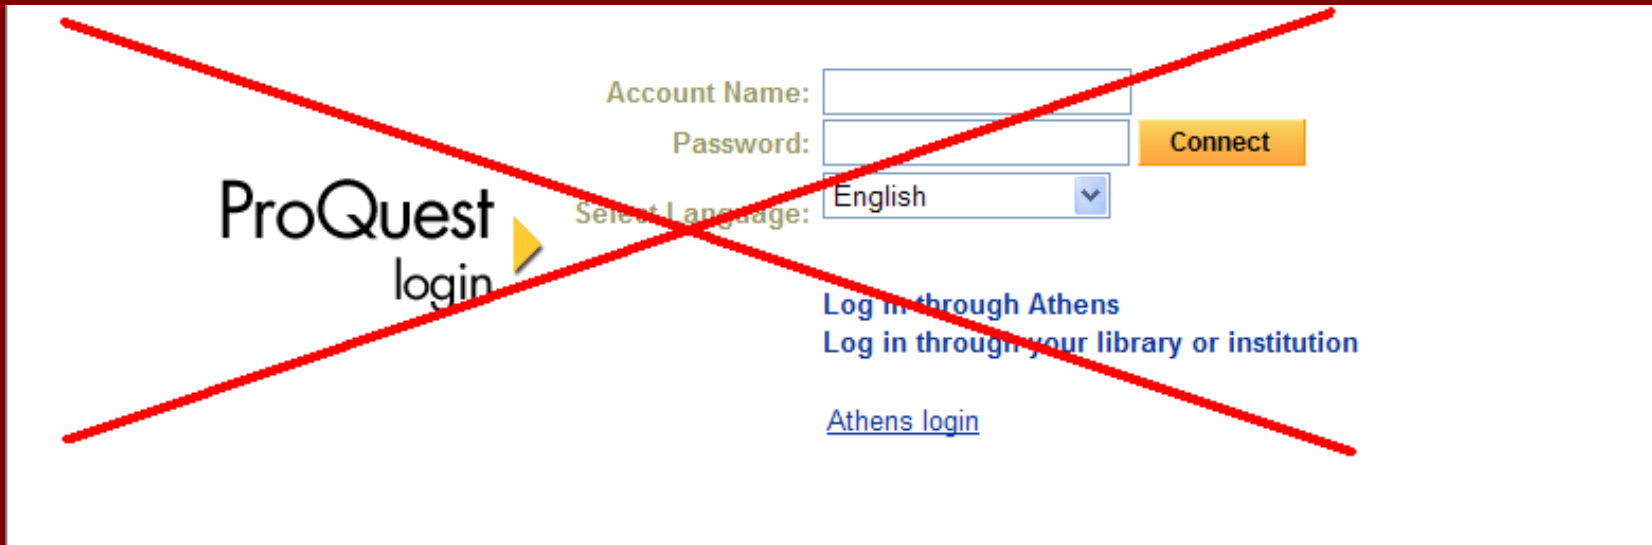

- Library Catalog (text input field)
- CATALOG KEYWORD (dropdown menu)
- Go (button)
- E-books Guide
- Interlibrary Loan

The links will be in boxes on the guides, similar to this one

Find Articles

- **Avery Index to Architectural Periodicals** ⓘ
This is an index and does not have full text. It covers architecture journals from 1930 to the present.
- **JSTOR** ⓘ
- **Art Index** ⓘ
This is an index and does not have full text. It covers a wide variety of architecture, art, and design journals dating back to 1984.
- **Design and Applied Art Index** ⓘ
This is an index and does not have full text. Articles here are about design or design-related discipline from a wide variety of sources.
- **Academic Search Premier** ⓘ
This broad ranging database contains a lot of full text and is a good place to look for any interdisciplinary topics.
- **Historical Abstracts** ⓘ
- **SocINDEX with Full Text** ⓘ
- **ProQuest Research Library** ⓘ

Do NOT try to connect from the database vendor's page. You MUST connect via the Library homepage or Research Guides to view the proper authentication screen

Troubleshooting

Please contact the Help Desk if you have any problems with Remote Access to Library resources

The Help Desk can assist you with common problems, such as firewalls, internet service provider issues, browser issues, and more
